PLANNING WEEK
Teachers, in teams, will be planning for Term 3 on a designated planning day over the next two weeks. The major change for students is that their Specialist classes will occur on the one day:

- Tuesday 7 June Specialists
- Wednesday 8 June Year 5/6
- Thursday 9 June
- Tuesday 14 June Year 3/4
- Thursday 16 June Year 1/2

REPORTS
Teachers have spent many hours assessing, moderating and conversing with students and staff to complete reports for each student. We have colleagues who check through reports and give feedback to teachers to ensure the reports accurately portray what each student can do and what needs to be done next. Reports will be available online via Compass to parents from 4pm on Friday 17 June. We will give parents time to read prior to the parent teacher interviews on Wednesday 22 June. From the parent portal on Compass (home screen) you will have the options below under each child, when you select “View Academic Reports” (as seen below) you will be directed to another screen where you can select the Semester 1 report to download.

PARENT TEACHER INTERVIEWS
Please note that Parent Teacher Interviews will be held on Wednesday June 22. As is usual practice, we will be asking for your help with this on the day, by picking up/allowing children to go home early (12:30pm).

The logistics of interviews is such that we need from 12:30pm through to 8:00pm to be able to fit everyone in! So if you can help with this it will be very much appreciated.

More details in the letter to go out in a week or so.

CURRICULUM DAY
Our next Curriculum Day is fast approaching and will be held on Friday June 10. Teachers will undertake professional learning on this day relating to Professional Learning Communities – the day being facilitated by Lana Read, Principal of a state school in Canberra and consultant for Hawker Brownlow. Teachers will be further developing elements of Professional Learning Communities such as: collaboration, planning, assessment and reporting.

Please be aware of this day and make plans for your children for the day, as students will not be able to attend school.

RAFFLE
The PFA are continuing to collect an amazing array of prizes for our big Winter raffle. You can support the PFA by selling those tickets! If you have already sold out, more tickets are available at the office.

Thank you in advance for your support, and remember, you’ve got to be in the WINter raffle to WIN it!!!
CURRICULUM DAY REMINDER
Please remember that next Friday June 10 is a Curriculum Day and students are not required on that day. Please make other arrangements for your children on that day.

Best wishes,
Phil, Pete and Andrew

CURRENT NEWS

YEAR 1/2 HISTORICAL DRESS UP DAY
On Wednesday, the 1/2s went back in time to experience what school was like in the past. We had a fantastic time making old fashioned toys, working in an olden day classroom, dancing and playing traditional games such as quoits. It was lovely to see all the students getting involved in the activities and enjoying a hands on experience of history. A big thank you to all the helpers who came along to support this event!

COMPASS
Prep learning task available for viewing from Monday 6 June:

TIQBIZ APP
Killara Primary School uses the Tiqbiz “app” for communicating with our families. The app is called “TIQBIZ” and can be downloaded onto your smartphone, tablet or computer.

Remember to select both “whole school” and your children’s year level when prompted. This will ensure you receive all notifications we send for the whole school, as well as those to specific year levels.

PREP ENROLMENTS 2017
Enrolments are currently being accepted for 2017. Enrolments should be made by Monday 25 July, 2016. This will assist the school with planning for 2017.
Existing families who have previously indicated they will have enrolments for 2017 will have received enrolment forms and these should be returned by Monday 25 July. If you require enrolment forms please see the office. Enrolments must be accompanied by a birth certificate and immunisation certificate. Copies of these documents are acceptable.
Please be sure to alert your family and friends who may be interested in the excellent learning opportunities that Killara Primary School provides.

SUNBURY SCHOOLS WINTER SPORTS DAY
Thursday 9 June our students will compete in Soccer, Tee ball, Football and Netball at the Boardman Reserve Grounds and stadium. We will make every attempt to go ahead with the day after having to cancel last week due to wet conditions in the lead up to the day. If the day does have to be cancelled notification to families will be sent via the tiqbiz app as soon as possible.
YEAR 1/2 CROSS COUNTRY
The Year 1/2 students will be having their cross country event on Thursday 23 June from 1.50pm. The course will be similar to where the older students have previously run through part of the reserve and on the oval and will be approximately 1.5 to 2km long. Parents are encouraged to come along and support all students on the day.

PARENT ESMART WORKSHOP
A reminder that we will be holding our parent eSmart workshop next week on Tuesday June 7. The workshop will begin at 6:30pm until approximately 8pm and will be held in the school theatre. Please respond if you would like to attend as there will be resources distributed on the night for you to take home. We are focussing on how to best educate our children to be savvy online users and consumers. Parents will be provided with the latest research and trends towards protecting children, and how to empower children to use safe, smart and responsible behaviours in the digital space. Please call the office to respond if you haven’t already or email hurley.katelyn.1@edumail.vic.gov.au Looking forward to seeing you at what is sure to be an informative and engaging evening for all!

PREP BILLY CART INCURSION
On Wednesday of this week, Prep students enthusiastically participated in a Billy Cart Incursion. Students were involved in a rotation of 4 activities; designing a billy cart, a workshop, building a billy cart and driving a billy cart. Students thoroughly enjoyed the incursion and the opportunity it provided to further their knowledge about different materials used to make objects and how objects move.

ENVIRONMENTAL CORNER
When you do the washing it's best to do a full load. A full load uses less water than two half loads.
Save money, save energy, save the environment.

COMMUNITY NEWS

UNSW BRAGG SCIENCE WRITING COMPETITION
Did you know Wi-Fi, penicillin, ultrasound scanners and Google Maps are all Australian inventions? What do you think are the most important discoveries that have been made by Australian scientists, engineers and inventors?

Choose a great Australian invention or discovery! In 800 words or less, describe how the discovery came about, explain what it does, and discuss its importance – what does it mean for the world today and into the future?

Enter the UNSW Bragg Student Science Prize and you can win a flight to Sydney and $500 book voucher. Plus every entry wins a copy of The Best Australian Science Writing 2016 for their school.

COMPLETE KIDS
Have you heard? At our Outside School Care Program, children are involved in art & craft, sport, relaxation, technology, role play and many more fun activities.

SUNBURY BLUE LIGHT DISCO
Friday 24 June 2016, 6-8pm at Sunbury Memorial Hall for primary school age children. PYJAMA RAMA PARTY! Entry $7 (correct money = faster entry). Sunbury Blue Light provides a fantastic opportunity for primary age kids to have positive interaction with local police and also to socialise with their peers in a safe supervised environment. The disco is a not for profit organisation, run by police members and valued volunteers, all of whom hold current Working With Children Check.
