Well, well, well! What a busy three days we have had! On Monday, 3/4A, 3/4B, 3/4C and 3/4G jumped onto buses and travelled to Allambee Camp, atop the Strezlecki Ranges near Yarragon in Victoria. We stopped for a toilet break and a quick snack at Wilson Botanical Park in Berwick along the way and were very excited to get to our destination.

On arrival, we were met by Allambee Camp staff and taken on a quick tour of the camp grounds. A giant swing, billy carts, a flying fox, hut building, a vertical challenge, a race around the world activity and a low ropes course were all waiting for us! There was so much fun ahead!

We were then shown to our cabins. There were 3 lodges; Strezlecki Lodge, Wattle Lodge and Mountain Ash Lodge. The cabins had bunk beds and all the students unpacked their things and picked their beds before moving down to the dining area for lunch.

After lunch, we divided into seven groups so we could move through each of the activities throughout the three days we had. We were also told about all of the safety rules at camp and how all the activities worked.

Camp Allambee has a bead reward system, where students can collect beads for their bracelet by conquering fears and stepping outside of their comfort zone at each activity. Special star beads could also be awarded by group leaders to students who showed outstanding leadership skills, teamwork and taking responsible risks.

The activities were so much fun and every student on camp was able to try new things that they hadn’t done before. We completed 2 activities on the first day, 4 on the second and our final activity was on the last day before we went home.

There were also activities on at night. On the first night, all the campers got to complete a reflector trail and go on a night walk. We also had a campfire. On the second night, we had our Red Faces competition. There were many performers, but there could only be one winner. The judges announced the winners to be Maddie, Jazmin, Amy and Sienna, who performed a dance to the song ‘Warrior’ together and everyone cheered. They are hoping to perform their winning camp act at assembly in the future, so be on the lookout!

Throughout our time on camp, we went to the dining room to have breakfast, lunches and dinners. On the first night, we had roast beef for dinner and on the second night we had lasagne. For breakfast we had cereal, toast and pancakes and for lunch we had sandwiches and wraps. Most people said they enjoyed the pancakes and wraps.

For the second and our final activity was on the last day before we went home.

the most. We also got to have cake and fruit for morning and afternoon tea. Overall, camp was a wonderful experience we will never forget! Thanks to the teachers and parent helpers for giving up their time to come with us and help look after us! We hope the students, teachers and parents on Camp 2 have a great time for the rest of this week, just like we did!! - Pete

Best wishes, Phil, Andrew and Pete

CURRENT NEWS

PAYMENTS DUE

Year 3/4 Camp – Overdue
Whole School Author Visit: Overdue
Sausage Sizzle – Tomorrow
Don’t forget payments can be made at any time from your phone or computer by using the QKR app

GOOD CITIZEN
Prep – Ethan G Rm 4
Year 1/2 – Lilah R Rm 20
Year 3/4 – Jackson Rm 22
Year 5/6 – Ethan W Rm 8

BOOK FAIR BOOK FAIR
The book fair is open from 8.30 – 9am each morning and 3.30 – 4pm in the afternoons each day until 8 September for book sales. Last year we were able to earn $2500 in commission to purchase books the students chose.

SAVING THE GORILLAS
Prep A & B, along with Melbourne Zoo, want to save the gorillas and their habitat... but we need your help! Please bring your old mobile phones to the school office (place them in the Gorilla Box) so we can recycle them. Thank you.

ENVIRONMENTAL CORNER
3 FOR THE SEA PROGRAM
Many classes in the school have watched these videos: https://www.youtube.com/watch?v=1qT-rQXB6NI  
https://www.youtube.com/watch?v=eXJxMcY0rXY
Here are some of the responses from Prep B:
I will stop littering
We will put rubbish in the bin
If we don’t put the rubbish in the bin all the creatures that live in the sea will die
If we work together we will be able to save all the animals in the ocean
We will do 3 for the Sea but its better if we pick up more rubbish like 6, 7, 8 or 10

If we see someone littering we say stop and then we say please can you put rubbish in the bin so we can save all the animals
If we see rubbish we will pick it all up
If you litter you might go to jail
Don't litter because the animals will die
I will clean my backyard up every single day
Today we will walk around the school after snack and pick up rubbish
We want to end up with no rubbish in the sea
We don't want animals to die
I will help the animals survive
Sustainability Team

PUPIL OF THE WEEK
TERM 3, WEEK 7

Junior School
Sharing their favourite book confidently

Middle School
Enthusiastically participated in Book Week activities

Year 1/2
Confidently representing fractions

Senior School
For being passionate about sustainability

Performing Arts
1/2 G – Kellie Eastaughffe
The way they worked together to create stories to act out for class
