PROFESSIONAL LEARNING
Our teachers have begun the task of taking part in extra professional learning, investigating the You Can Do It program and the Habits of Mind theories. As a result of this extra work, the day before Cup Day has been designated a pupil free day by the School Council. You Can Do It focuses on 5 keys and 12 habits that help children with their social emotional learning and capabilities and Habits Of Mind provides 16 Habits that can be developed and built on over time to ensure maximum focus, capacity and engagement in learning and work.

More on this soon.

EXECUTIVE LEARNING WALKS
As a team, we (Phil, Andrew and Pete) have begun a Learning Walk process, where we are visiting rooms and making specific observations relating to an aspect of teaching and learning. Currently we are focusing on teacher feedback. By collecting data, giving individual and group feedback and reflecting on practices, we continue to be committed to improving our approaches as a school.

GIRLS FOOTY TEAM
The Girls Footy Teams recently had a day of competition, with 2 teams representing Killara. They equipped themselves well to a game that is just becoming a focus for many of our girls and one our teams came 3rd overall. Congratulations to Courtney H and Holly H who were awarded “Best on Ground” for teams 1 and 2 respectively. Many thanks to Bec Gerber for being their coach for the day and to Mandy Marks for her assistance.

Best wishes,
Phil, Andrew and Pete

CURRENT NEWS

SCHOOL CONCERT
Killara is celebrating its 21st Birthday this year. To help the students learn about the history of the school and celebrate how far it has come we are having an Art Show and Concert on Wednesday, September 17. There will be 3 concerts and all students will be involved in all 3 concerts. This will be a great event so put it in your diary. More information will follow soon.

GIRLS FOOTY
On Friday 25 July, the girls football team went to Craigieburn to compete in the Footy Gala Day. We played 6 games and we won 5 of them. The success the team displayed was great. Some of us had never played football before and Miss G helped us to become star players.

We came home with a new hobby.

Our team had a great time and we would love to do it again. Thank you to everyone for their help and support.
