Leadership Council for their organisation and to all of you for rugging up in your pyjamas and onesies and contributing to a service that really makes a difference in the lives of people within our community. Thank you!

HOLIDAY SECURITY
We would like to encourage the school community to ‘keep an eye’ on the school over the holidays. Please report any unwanted or illegal behaviours to the police on ‘000’, even if you only have suspicions.

We unfortunately continue to experience occasional vandalism and damage to our school by people using the school grounds. The costs involved with repairing damage cannot be afforded by our school and means that valuable funds that should be used to support our students may be used to make such repairs.

Also, as a result, I issue this statement:

“Except for certain limited purposes under the Summary Offences Act 1966, a school is not a ‘public place’. There is no general right of the public at large to be there, either within or outside school hours. A school ground is not ‘public land’. It is land held by the Minister for Education for educational purposes.”

(Victorian Government Schools Reference Guide, Section 6.16 Legal Liability and Associated Matters)

************EARLY DISMISSAL************

Best wishes,

FROM THE EXECUTIVE TEAM

STOMPATHON
The STOMPATHON was on Tuesday 13 September. What a wonderful day it was! The students enjoyed their year level sessions and the whole school concert was hugely entertaining and enjoyable – even including a teacher’s dance-off!

As mentioned previously, funds raised from this event will be going towards literacy resources and the establishment of a shade sail over the Grade 1/2 Playground. Being our major fundraiser for the year, we are setting ourselves the goal of beating the $12,800 we raised at last year’s Walkathon. So far, we have raised $5716.10! which is a great start.

Every $10 raised attracts a raffle ticket in the major draw for prizes, which include a Go Pro camera, a remote controlled drone, a bicycle, a printer, a voucher for swimming lessons, Toyworld voucher and a cricket bat. So, the more you raise, the more chances you have to win a prize.

Many thanks to all of the people who helped to make the day a success including Kelli for her liaison with Stomp, Andrew O for doing all the logistical organising, Andrea, Kath and the band of helpers in the canteen for the sausage sizzle and our lovely PFA for putting on the afternoon tea for parents.

We are comfortable with funds being collected over the holidays and returned no later than Monday October 11.

PYJAMA DAY FOR CAREWORKS
Thank you for your outstanding participation in today’s Pyjama Day, raising money for CareWorks SunRanges. This is a wonderful service within our community and we are very proud to support them. It was a “sleepy, relaxing” day with everyone in their PJs.

Today’s fundraiser raised $721.75, which is a fantastic effort. Thank you to members of the Student...

STOMP-A-THON
On Tuesday September 13 Killara Primary School had a Stomp-a-thon. Run by the outstanding teachers from Stomp. The day started with dance rehearsals. The preps and then Year 1/2s carved up the dance floor for the first 100 minutes of the day and had a fantastic time doing so. After recess it was the 3/4s and 5/6s turn to strut their stuff. With so much energy in the room it is no wonder they all enjoyed themselves. The afternoon was the real highlight of the day. All areas of the Killara Community were represented, parents, grandparents, staff and students. Each year level had an opportunity to show off what they had learnt. Their performances were a credit to each and every one of them. The whole school got behind one another and applauded their efforts. The teachers gave a surprise performance with John and Mrs Hurley winning this competition by popular vote. It was well deserved. The final performance was from the whole school. It was spectacular to see all of the students working together in harmony to complete this final number of the day. I think everyone that was there would agree that the day was a huge success and so much fun was had by all. Let’s hope that the students’ fundraising efforts are as big as the effort that they put in on the day. Congratulations to everyone who made the day happen and to the students for their outstanding behaviour and willingness to participate.
