1st March 2018

Dear Parents/Guardians,

As part of our Term 1 Inquiry into 'Changes in Technology Over Time', the 1/2s will be exploring history through participation in activities that children may have enjoyed in the past. Students are encouraged to dress in 'olden day' clothes, to highlight the differences between modern day clothing and the way children used to dress for school. Students will explore a range of activities including games, craft activities and old-fashioned school lessons such as writing on blackboards.

DATE: Friday 16th March 2018

DRESS: 'OLDEN DAY' clothes. We encourage families not to spend a lot of money on finding 'costumes' but instead find things at home (e.g. dresses and tights for girls, button up shirts and trousers for boys), borrow from Mum and Dad or explore the local Op shop. Shoes must be closed toed and students need appropriate clothing to play outside during break times.

OPEN AFTERNOON: Students will be presenting their Inquiry home task during the afternoon. We invite parents and grandparents who have a current **Working with Children Check** to present with your child/grandchild, exploring the technology you used in the past. Please complete the form below if you are willing and available to attend from 2.10pm – 3.30pm on Friday the 16th March 2018.

If you are able to attend, please return the note below by Friday 9th March 2018. Please note, any visitors to the school will need to sign in and present their Working with Children Check at the main office before participating in the afternoon.

Regards,

1/2 Team

1/2 HISTORICAL TIMES ACTIVITY & DRESS UP DAY

OPEN CLASSROOM AFTERNOON

Student _____ Room _____

Parent/Guardian/Grandparent: (please print) _____

I am available to attend the open afternoon on Friday 16th March 2018.

I have a current Working with Children Check.
