**Year 3/4 Book Week 2015 Author Visit**

To accompany Book Week celebrations this year, students will be participating in an incursion involving an author visit. Students will further understand the process that authors take when writing and illustrating books. Nova Weetman is passionate about encouraging kids to read and write, and has published two novels and written for TV shows including *Neighbours*, *H20*, *Wild But True* and *Buzz Bumble*.

Our apologies for the late notice, but we were able to access some authors at the last minute and we would like to provide our students the opportunity to experience meeting an author during Book Week.

**Date:**  Wednesday 26<sup>th</sup> August 2015
