Numeracy & Literacy Classroom Helpers Course

Day and Evening Courses

Would you like to be a classroom helper in Mathematics & English? The Classroom Helpers course will be held once again at Killara Primary School this year. Both a day time and evening Parent Helpers course are being offered in Mathematics and English, to best accommodate parents accessing this opportunity. At the completion of your session, you will have the information needed to better help your child and other students in the classroom. Please consider joining us at our upcoming Classroom Helpers Course.

**Venue:** Theatre

**Date:** 5th March 2014

**Time:** Day Session: 9:00-10:40 am

or

Evening Session: 6:30 – 8:00 pm

**Important:** It is part of our school policy that adults must have completed the Classroom Helpers Course to assist in classrooms.

Please note all parents assisting with any school activity/program are required to have a current “Working With Children Check”. Application forms are available from any Post Office.

Looking forward to seeing you there!

Regards,

**Nancy Smith**          **Jo Fogarty**          **Phil Clinkaberry**

Numeracy Coordinator  Literacy Coordinator  Principal
