YEAR 1/2 COMMUNITY HELPER'S EXPO

As part of our Inquiry into 'Community and Culture' during term three, we are hoping to hold an expo with parents sharing their occupations and involvement in the local community. Students will gain a valuable insight into how people contribute within our community, as well as develop skills that assist them in being safe a responsible within the community.

The expo will be held on **Thursday 26th October** and will involve a range of rotational tasks and activities during the day. This will include local community programs as well as parent group visits. If you are available and would like to briefly share your experiences in your profession (you might like to bring along props or tools from your profession), please complete the information below.

Some examples of community helpers might include: doctors, nurses, firefighters, police officers, hairstylists, librarians, pilots, retail employees, local sport associations, etc.

We look forward to hearing from you, if you can help.

Kind Regards,

Teachers 1/2 Team
