Dear Parents/Guardians,

The School Concert is now only a few days away. The students are all very excited and we can’t wait for the day to arrive. So that everyone is fully prepared for the day we would like the students to bring their costumes, or anything they need from home to add to their costumes, to school by Monday morning. There will be a whole school dress rehearsal on Monday so that the students get an understanding of how the concert runs and what they need to do.

A reminder also to get your tickets if you haven’t already. The night show is now completely sold out, but there are still tickets available for the two daytime shows.

During the show there will be a 15 minute interval to allow everyone to have a break. Drinks and snacks will be available during this time.

A DVD of the show will also be available to order next term. So we ask that no flash photography is used during the shows so that the video is not interfered with and the students are not distracted on stage.

Thanks for your support. Hope to see you all there.
