14th August, 2014

FAMILY MATHEMATICS NIGHT – WEDNESDAY, AUGUST 27th 2014

Dear Parents and Guardians,

On Wednesday the 27th August, Killara Primary School will be hosting our: Annual Family Mathematics Night, from 6:00- 8:00pm

The classrooms in the main building will be open and activities available on the night are designed to be thought-provoking as well as highly enjoyable, demonstrating that Mathematics is fun.

It is a great opportunity to create a working relationship between child and parent towards achieving a better common understanding of Mathematics and provides opportunities to:

• Improve the student’s approach to the application of logic, visualisation and problem solving skills
• Demonstrate different ways of exploring mathematical concepts and to demonstrate that Mathematics can be fun and enjoyable.

If you wish to attend, please return the attached slip below by Monday August 25, so that we have an idea of numbers for the night.

We look forward to seeing you and celebrating our successes in Mathematics.

Kind regards,

Karen Francis
Numeracy Curriculum Team

Phil Clinkaberry
Principal
