Dear Parents/Guardians,

From **Week 2 to Week 6 every Tuesday (except for week 3, which will be on Friday)** in Term 1 2014, the children at Killara Primary School from Prep to Year Six will have the opportunity to be involved in a dance program called **Footsteps**. This is the same program that they were involved in 2012, however each year new dances are taught and old ones revised.

There was so much positive feedback from the staff and students in 2012 that we have decided to book the program again for next year. The children will get **five 1 hour sessions in total, at a cost of $2.50 per session - bringing the total cost to $12.50**. The children will learn a number of dances from different styles.

It is a great opportunity for your children to try something new and innovative and to enhance many of the skills they have already learnt in a fun and motivational way. The program also teaches the students respect for each other, communication skills and partnering skills, which are valuable skills in life.

If you would like your child to participate in this program then please return the slip below along with the **full payment by the end of week 2 in Term 1**.

Kelli Brogan.  
Performing Arts teacher

Phil Clinkaberry  
Principal
