## KILLARA PRIMARY SCHOOL COLOUR FUN RUN

Dear Parent/Guardian,

Thank you to date for your support with Killara’s upcoming Colour Fun Run. The event is now just over a week away and the excitement is definitely building.

It is our responsibility to seek permission for your child to participate in the School Colour Fun Run. All measures have been taken to ensure that this event is safe for all students.

There will be various colour powder stations throughout the course with two designated lanes – one for colour powder, the other with no powder. Your child can still participate in the event should you not wish for them to be sprayed with colour powder.

Staff and volunteers at the colour stations will do their best to throw the powder at the torsos of participants, however wind and other factors can result in students getting powder in the face. As such, you may wish for your child to bring their own eye protection such as sunglasses or goggles.

The day will be a casual clothes day for our students. To heighten the effectiveness of the colour powder, we encourage students to wear a white top. The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely wash out of your child’s clothing, however we recommend that you consider the possibility of minor staining when selecting your child’s clothing for the day.

Based on the toxicology profiles of the powders used, their concentrations in the formulation, and the mode of use, the products pose a low level of toxicology risk. The product is considered safe for use.

If you have not already created your own sponsorship page, it’s not too late to get online now and get started. Some students have already raised over \$500 for our school with donations continuing to come in.

Get ready for a **BLAST OF COLOUR** and thanks in advance for your support! Happy fundraising!
