PG RATED FILM VIEWING

Dear Parents,

To begin the new school year in a positive way, we are spending time in our new classrooms 'Learning to Learn'. We are taking these first few weeks to get to know each other and ourselves, discussing factors that can affect our emotions and behaviour at school, as well as how to conduct our learning effectively.

To enhance this learning, we will be screening the Pixar film 'Inside Out' in classrooms next week. The film will be used as a prompt for discussions and will be critically assessed by students. As the film is rated PG, we need parental permission before we can screen the film in class. Throughout the year we may also look to use movies that are rated PG for learning purposes. Parents will be notified as this occurs throughout the year.

Please sign and return the attached form by Monday February 5th so that your child may watch the film in class during the upcoming week and PG movies as needed throughout the year.

Kind regards,

The 5/6 Team
