KILLARA PRIMARY SCHOOL IS JOINING IN...

THE GREAT SUNBURY GNOME HUNT!

Over the past two years, Goonawarra Primary School has run a very successful gnome hunt around Sunbury. This year, thanks to Killara Primary School’s Parents and Friends Association, Killara is on the hunt too! In total there will be 6 Sunbury schools involved as well as 25 local shops and businesses!

The concept is:

- Students purchase a passport from your school which lists 25 shops and businesses in Sunbury ($10 per Passport). Family, friends and neighbours can also participate. Each participant will need their own Passport.

- In each shop there will be a gnome which has been hidden by the shop or business owner.

- Passport holders visit these shops and businesses over the two week holiday period. They find the gnomes, recording the gnome’s name on the Passport, and receive a stamp.

- Each shop and business will be offering discount offers such as 10 to 20% savings, 2 for 1 deals, etc. to the gnome hunters. There is no obligation to purchase anything. Discounts are listed on the Passport.

- Students return the Passport to school after the holidays to go in the draw for fantastic prizes that have been donated by the local businesses participating in the hunt.

The benefits are:

- Families have a fun day seeking out the gnomes!

- Shops and businesses enjoy having more people visit them!

- There are bargains for everyone on offer!

- There are great prizes from the businesses to be won at the end! Completed Passports will go in to the draw to be held on Monday 18th July at Goonawarra Primary School.

- Killara Primary School’s Parents and Friends Association will make valuable funds that will ultimately result in benefits for the students!

It is a WIN - WIN - WIN for everyone!

Families – School – Community

And Lots of FUN!!
