

Killara Primary School
Our Best - Every Child, Every Day

A SOCIAL STORY FOR THE SUMMER HOLIDAYS

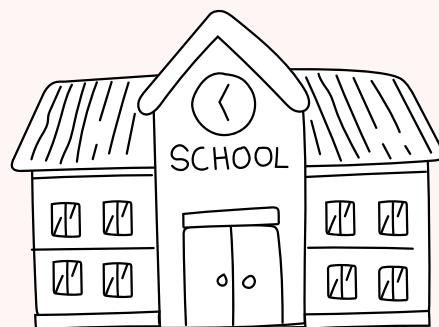

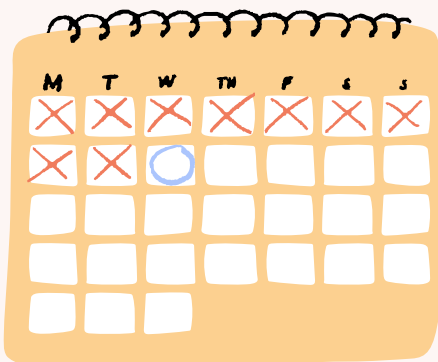

2025 - 2026

My name is
Killara Primary School.

and I go to

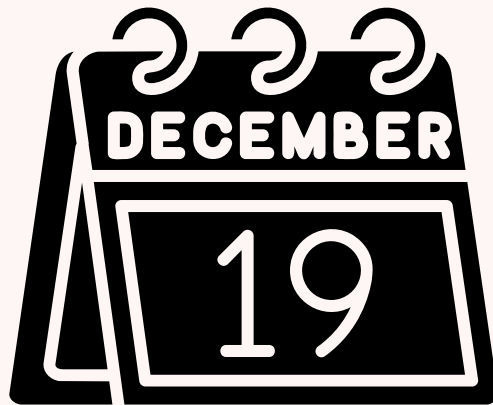

It is almost the end of the school year.

I have spent a full school year at school with my teachers.

My last day will be on Friday 19th December.

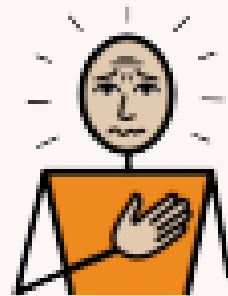

I will break up for the school summer holidays and will not be at school for 5 weeks.

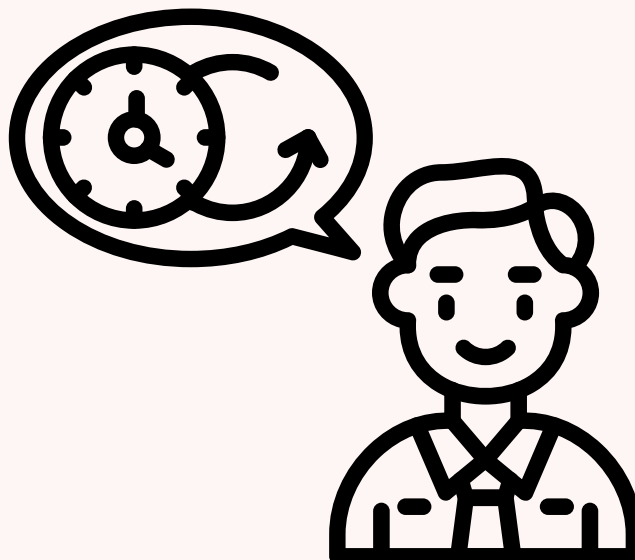

**SCHOOL
BREAK**

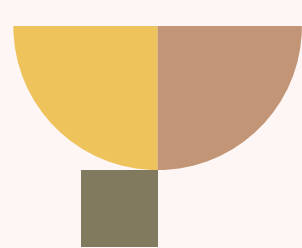

I might be sad and worried but it will be ok.

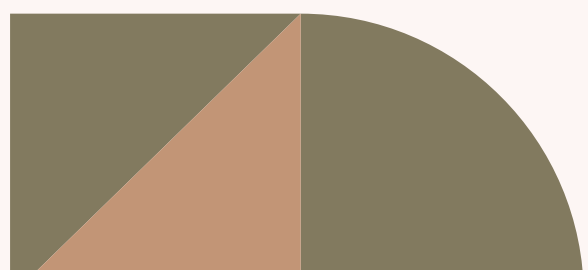

I have lots of happy memories from this year.

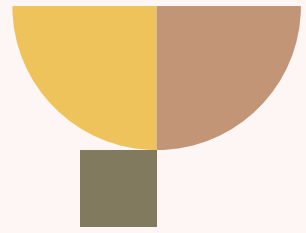

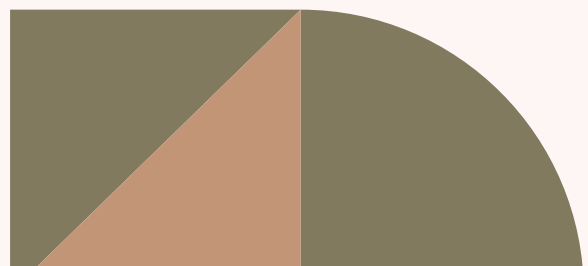

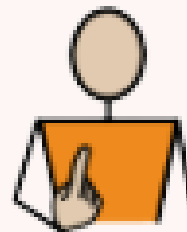

My old teacher will miss me and I will miss them but I will see them around school, I will remember the fun learning we shared.

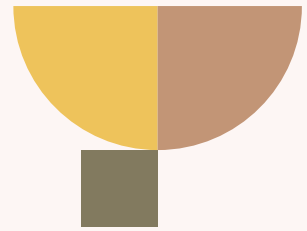

My teacher will tell my new teacher lots of things about me.

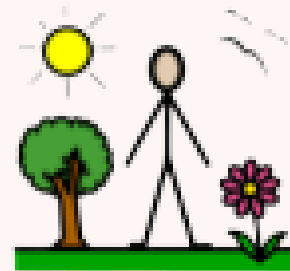

My teacher will be excited to meet me and learn all about me.

For now, instead of school, I will be at home. There is usually nice, warm weather in the summer and it can be fun to go outside and do different things.

It can be tricky not knowing when things are going to happen and not having my school routine. My family will help me to know what we are doing and if things change.
